

A Minute with the Board

Wow! January 2016 is off to a great start! Our first board meeting of the year was a great success with new board members, Alyssa and Josh Iverson making the long drive to Des Moines and we are truly appreciative of their willingness to serve on this great board.

We elected two new officers to fill positions of those who have served their terms. Please congratulate Debby Pence, Vice President and Michelle Jarosz, Treasurer who will each step in to their new roles following the general membership meeting at the Spring Conference. Congratulations!

This quarterly board meeting was focused on the strategic goals for 2016 – One change we are really excited to share, is the format of the upcoming Spring Conference. We have a new location! A great keynote speaker! As well as session speakers and courses that we are really excited to present!

Stay tuned to for this continued segment of “A Minute with the Board” for new information and updates each month.
